SUMMARY

Proficient in Python, Java, C, and JavaScript with strong problem-solving and full-stack development experience. Skilled in data structures, algorithms, and building scalable, maintainable software applications. Eager to contribute to real-world software projects and apply software engineering principles in a professional environment.

TECHNICAL SKILLS

- **Programming Languages:** C, Java, Python, JavaScript
- **Web & Frameworks:** React.js, Node.js, HTML, CSS
- **Databases:** MySQL
- **Concepts:** Data Structures, Algorithms, Object-Oriented Programming, REST APIs, Full-Stack Development
- **Tools & Platforms:** Git, GitHub, Visual Studio Code, Eclipse

EXPERIENCE

AI & Data Analytics Virtual Internship (Green Skills) Organized by AICTE, Shell India, Edunet Foundation
(15 Jul 2025 – 16 Aug 2025)

- Developed AI and data analytics projects focused on sustainable solutions.
- Applied Python and data manipulation techniques for real-world problem-solving.
- Collaborated with peers to enhance project efficiency and code quality.

EDUCATION

B.Tech in Computer Science & Engineering	KL University	Aug 2023- May 2027
Intermediate	Narayana Junior College	June 2021- May 2023
SSC	Sri Chaitanya Educational Institutions	June-2020- May 2021

PROJECTS

Dhwani – Music System (Full-Stack Web App)

- Built a responsive music platform for playing songs and exploring artists.
- Technologies: React.js, Node.js, MySQL, Java.
- Implemented APIs and optimized backend data handling for performance.

Hotel Room Booking Website

- Designed a responsive hotel booking interface with user-friendly navigation.
- Technologies: HTML, CSS.

Banking Customer Record Management System

- Managed customer records with efficient hash table implementation for quick retrieval.
- Technologies: C, Data Structures.

Mini Voting System

- Developed a real-time voting system with command-line interface.
- Technologies: C Programming.

Currency Converter with GUI Interface

- Created GUI-based application for currency conversions.
- Technologies: Java GUI.

CERTIFICATIONS

- NPTEL – Introduction to C Programming
- FreeCodeCamp – Responsive Web Development
- Linguaskill – English Proficiency
- Forage – Deloitte Australia, Data Analytics Job Simulation

STRENGTHS

- Problem-Solving
- Full-Stack Development
- Continuous Learning
- Team Collaboration
- Leadership
- Adaptability
